"Most of my fantasies have some sort of power play thing going on," Madison told us. "I'm usually submissive, so I like being tied up and I have a regular fantasy about me being kidnapped by a sexy stranger. But sometimes I like to have the power...like a dominatrix."

Madison came to us for an adventure before starting real estate school. "I wanted something fun to do for my last care-free summer. I debated becoming a lifeguard or something like that, but modeling seems like more fun. Besides, I can make money for masturbating!"

"I can't wait to start selling houses and making money. I have big plans. I want to travel around Europe. I love meeting people, so of course, I would find friends to play with. My dream is to have three-somes in every country in Europe. I love girls, so I try to hook up with them at every opportunity. Having sex with a hot French couple would be amazing!"

"I'm a pretty normal girl," 20-year-old Seattle native Ivy told us. "I mean, I've got some secrets, but doesn't everybody?" That intrigued us, so we pressed Ivy to give us some details. "I've got a lot of...odd fetishes. I'm into daddy/daughter play. I like using mouth gags. I'm a big fan of choking, light spanking, biting, and stuff like that."

"One time, I had a three-way with another girl and a guy. He and I spent the entire time dominating this little submissive girl. I got a power rush from it." We asked Ivy how many times she came from dominating that girl. "I didn't cum during the threesome, but I came later that night when I played with my toy. It's hard for me to cum from sex, so I use my toys a lot."

"I told the guy I'm dating right now that I wanted to do porn. He was upset about it at first, but I was upfront about being an exhibitionist when we first started dating. He knows that being watched makes me feel powerful and wanted. The more people I turn on, the hornier I get."

We've all fantasized about picking up a stranded cutie. One reader shares his story about doing just that.

## GOOD GUYS FINISH LAST

Dear Newcummers,

I recently visited SCORE website *PickingUpPussy.com* and it reminded me of one of the craziest things I've ever done. If you'd like to print my story so that your readers can live vicariously through me, I'd be much obliged. I think a lot of guys have either tried to pick girls up in their car or have at least thought about it.

I live in upstate New York where the weather is frequently awful. Winter is particularly wet, cold, and miserable. Because of this, I drive a fully loaded 4x4 and am frequently on the snowy roads by myself at night. One cold December evening a few years ago, I found myself in exactly that situation. I had just gotten off of work and had the heat blasting when I saw this girl walking on the sidewalk. For a second I thought she might be a hooker, but even ladies of the night wouldn't have been slopping through a foot of snow wearing a short skirt and tennis shoes. As I was about to pass her, I saw her stick her thumb out and turn her head to look at me. She obviously needed a lift, and I was probably the only person on the road who was prepared to drive her somewhere safely. I pulled over and shouted out of the passenger window, "Need a lift?" She shuffled to my truck, sizing me up. She must have thought I was harmless enough because she hopped in and thanked me for the ride.

"I'm going to the other side of downtown," she told me as she placed her hands up to the air vent.

"But if you aren't going that way, you can drop me anywhere in that direction." I turned the heat up to high and merged back onto the road. Her mini skirt had ridden up her thighs a bit, and she was wearing a low-cut blouse under her unbuttoned jacket. "Where are you headed dressed like

that in this weather," I asked her jokingly. "My fucking boyfriend just broke up with me and kicked me out. Mind if I smoke?" I'm not a smoker, but this little cutie was obviously having a bad day, so I cracked the window for her. As she puffed on her

*Jamie, 48 Y.O.*

**Lives:** Malibu, California

**Wt:** 120 pounds  
**Bras:** 34B

**Panties:** Hipsters  
**Anal:** Not in a while  
**BJs:** Swallow  
**Masturbate:** Yes

Jamie is a sophisticated, educated world traveler who teaches in her spare time and loves enlightened conversations. We're telling you this because we've been seeing a lot of teens lately, and although we love their taut, nubile bodies, listening to them talk can be tedious.

Jamie drives a vintage BMW, loves the TV show *Twin Peaks* and the movie *Silence of the Lambs*, and isn't afraid to push sexual boundaries. "I'm into the taboo," she told us. "When I'm with younger men, I enjoy playing the mommy role. Roleplaying is a huge turn-on."

"A man who keeps his mind as fit as his body is sexy. I expect men to make the first move and to keep me engaged in thoughtful and flirty conversation. I'm currently single, but if a kind, smart and funny man told me that he saw me in your mag, I'd let him take me out. I don't have anything to hide. I'm very proud that I'm getting into porn at 48 years old!"

Las Vegas, Nevada

Here are a few random observations we had about Avi. First, she has a cute, little bush that she's trying to grow out. Second, she makes these horny-looking faces when she's in front of the camera. A lot of girls do that, but hers look adorable. Third, she really knows how to make herself cum. Hell, she had already had an orgasm before her top came off!

"I've done a lot already," Avi told us when we asked her what she wants to do in life. "But I suppose what I want to do most is to travel. I want to walk the Brooklyn Bridge. I want to sit on a cliff in Ecuador. I want to have a fling with a handsome Italian man with lots of money and free time. I've already had threesomes. I've licked pussy. I've done anal. I'd like to try DP, but it depends on how big the guys are!"

Tampa, Florida

When Daisy's boyfriend called us and asked if we were looking for a couple to fuck on-camera for the first time, we asked to see pictures of them. He sent us a pic of Daisy's face smashed up against his pubes, his entire dick down her throat. "She doesn't have a gag reflex," he told us.

"I like it when my guy takes charge," Daisy told us. "When he told me that we were going to shoot a porno, he said it with such confidence, I didn't second guess what he was saying. We're, like, the perfect couple to do ama-

teur porn. We can't keep our hands off of each other. We have sex all the time in parks, bathrooms, rooftops, and we've fucked or fooled around in all of our friends' houses. We're known as the horny couple in our group."

"I met my boyfriend at a club," Daisy said, recounting her meet-cute story. "I was with one of my girlfriends and we were all flirting with one another. She and I took him back to my place and had a threesome. He spent the night, and we have been inseparable ever since. I want to try a threesome with two guys because I haven't done that. That's what I think about when I masturbate."

**"I like a dick in my pussy and a finger in my ass."**

Khloe called us up desperate to be in our magazine. "I need to get out of Ohio," she begged. "Everything here is...messy." We didn't prod her too much because we really just wanted to see her spread her pink pussy. We didn't need the details of her life. "I'll do anything you want," she promised.

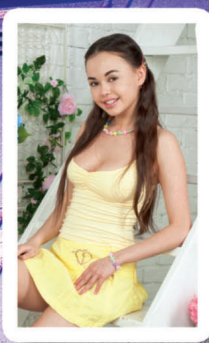

Khloe says that her special talent is giving excellent head. "If I really like you, I'll swallow your cum. Otherwise, I'd rather just fuck until you're ready to bust. After you get me off, I'll let you jizz anywhere. Most guys go for my tits or my face, but some are kinky and want to cum in my ass. I don't mind."

Washington, D.C.

"I work at a flower shop my boyfriend's parents own," Li let us know. "They own a couple of locations, so that leaves my guy and me alone in the store quite a bit. After we clean up at the end of the day, we'll sneak in the back and have sex on the clipping table. It's kind of our routine."

"One time, my boyfriend and I were fucking in the back room when some guy started banging on the front door. My guy was startled and he busted inside of me. I quickly ran up front to sell the customer a last-minute anniversary bouquet. When I got back, my guy pointed out that my skirt was tucked in the back, and I wasn't wearing my panties. I had jizz running down my thigh!"

Albuquerque, New Mexico

"My friend and I like to shoot pool and make silly bets. I lost a really close game, and she had bet me that I had to go streaking. Well, there were cops outside, so I figured that sending in pictures to a porno magazine would be the next best thing. I mean, this is like flashing the whole world!"

"I'm not exactly shy when it comes to sex," Alex informed us. "I love sexual humiliation, having my face used like a fuck toy, being spanked, and cuckolding. My first serious boyfriend introduced me to porn theaters, and I still occasionally visit gloryholes. In college, I used to make extra money dancing in the peepshow booths of a local porn store."

"You know what my biggest problem in life is?" Alex asked us. "This is such a first-world problem. I cum too easily. It's actually kind of embarrassing how easily I get off, especially because I occasionally squirt. It's inconvenient for quickies. I mean, I practically have to carry a towel wherever I go! I'm just kidding, I don't squirt *that* much, but I've been known to saturate car seats and couches before."

**BJs:** Swallow  
**Masturbate:** Once or twice a day

**Boise, Idaho**

Ariel is a true newcomer. "I like getting to know people on a chill, no-pressure kind of basis. I like talking, going for a walk, maybe smoking a spliff and then getting a bite to eat. I'm not the kind of girl who jumps into the sack with a guy the moment we meet. That's what makes this whole porn thing funny."

"I'm not in college yet, but I want to study psychology. I'm fascinated by the way the mind works. For instance, why did I choose to step outside of my comfort zone and fuck a guy on-camera? I'd love to delve into that and find out if there's a deep meaning behind that. I don't know if there is. I think I just really love getting fucked."

"I cum the hardest with my legs up on the guy's chest. When the dude keeps a steady rhythm and goes really deep and hard, I can cum in a matter of minutes. If I combine that with a Hitachi vibrator on my clit, my legs will be jelly in a few seconds! The combination of being filled, banged, and buzzed at the same time really gets me off."

cig, she told me her story. Her guy was always kind of an irresponsible dickhead, but he started dabbling in drugs and fooling around on the side. Apparently, it got a lot worse in the past month. I nodded and listened patiently, something I'm not sure she got a lot of hanging around with her druggy boyfriend. "Why would that jackass kick such a beautiful girl out on a night like this," I pondered aloud. She giggled and thanked me. Her hair was long and reddish brown and shaved on the side. One of her eyebrows was

pierced, which accentuated her dark eyeliner. That's a modern look, and it ultimately worked for a girl her age, but it did make me feel a little old and out of touch. Still, I was feeling adventurous and had a little bit of a good-citizen chubby going on in my pants. "You know," I ventured, "if you and your boyfriend are broken up, there's nothing stopping you and me from having a good time."

The look on her face as she registered what I said seemed to stay paused for an eternity. Thankfully, her mouth eventually shifted into a sly smile. "We certainly could," she said. "But I don't know anything about you. You could be a creep with a small dick for all I know." Emboldened, I reached down and

Theme park worker Kimora studied Chinese in school. She gets to use those skills every day with tourists at her work. "Chinese guys say the nastiest things about me because they don't know I can understand what they say!"

"I busted one Chinese tourist who was talking about my ass with his friend. When I confronted him, he wasn't ashamed. In fact, he asked me if I wanted to fuck! I gave him my number, and we ended up hooking up later that night! I talked dirty in English, and it really got his motor running."

Riley and her boyfriend sent us two sets of photos. We printed her other pics in *Naughty Neighbor's* September issue. "We figured we could always take more pictures, so we might as well send in all we had, right?" she emailed us.

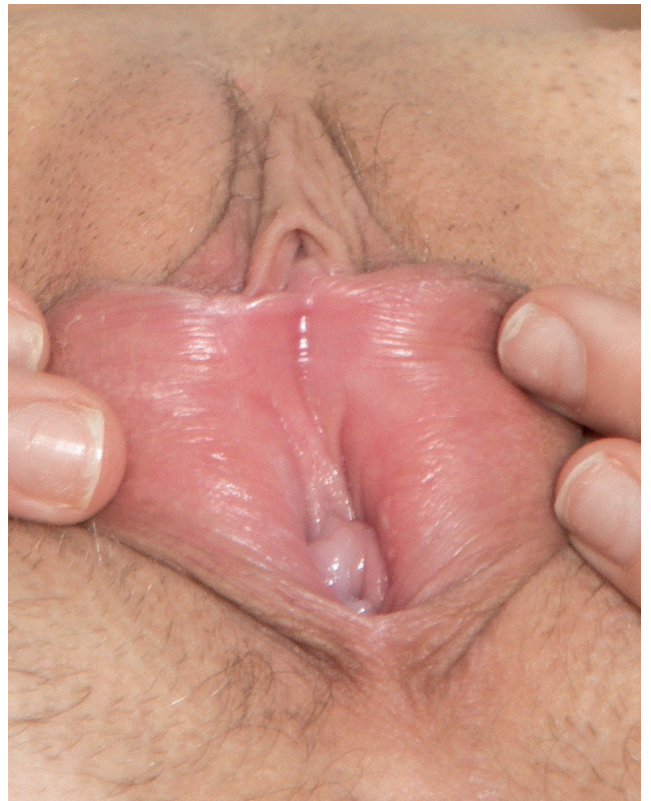

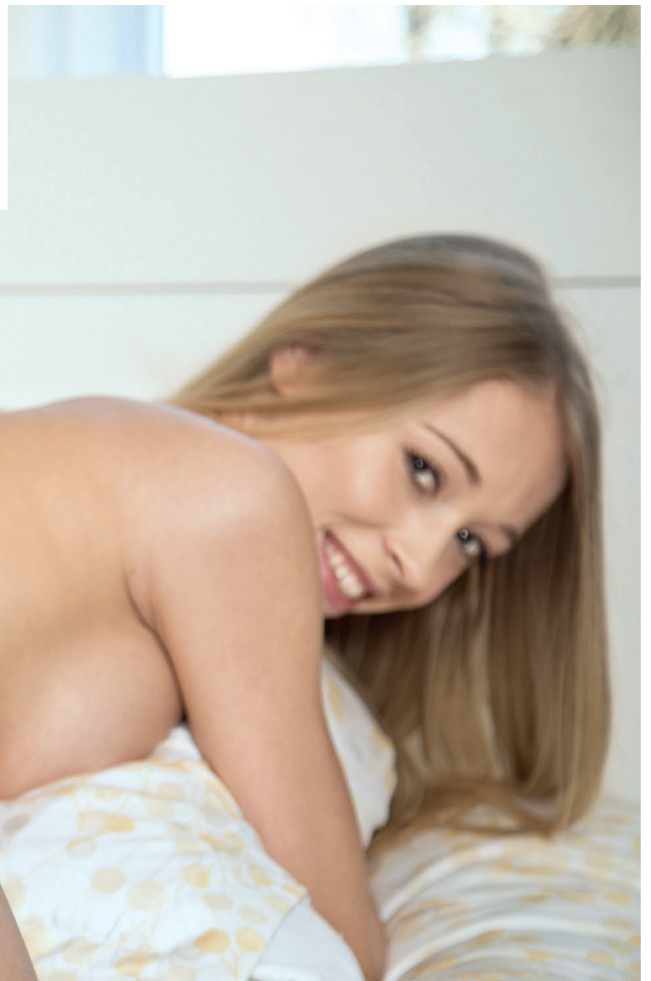

"My guy brought up the idea of shooting naked pictures when we were on vacation. I thought it was sweet. He told me that he wanted to masturbate to my pictures instead of porn. I had no idea that he wanted to share them! I hope our friends don't see these. I want it to be my dirty secret."

"I tried to get my boyfriend to let me send in some blowjob pictures, but he's too shy. He said that guys who look at porn want to see big dicks getting pleased, not his average-sized cock. I think that's ridiculous. Guys who look at porn should be more focused on the girls!"

“I’ve been webcamming for a couple of years now,” Christy told us. “I don’t need the money. I do it for the adventure! I’ve learned a lot about my own body and what it can do. I have a crazy squirting ability that I didn’t know about before. One guy paid me to see how far I can shoot!”

"Most guys want me to talk dirty to them when I'm camming. I've gotten really good at telling stories. Pretty much every client wants to hear what a big slut I am. I tell them about my group sex experiences... about me getting gang-banged by four guys in one night. They call me all sorts of dirty names, and that helps me get off."

unzipped my jeans. As I pulled out my cock I said, "Well, my proposition is probably a little creepy, but you can certainly have a good time with this." Her mouth fell open because I was being so forward, but a little bit of her shock must have been due to the sight of my nine-incher. "That could be a lot of fun," she whispered. "Pull over somewhere private."

I went another quarter mile or so down the road until I found a dark, empty park. While parking, she began to stroke my meat. I reached over and touched her thigh, running my hand higher and higher until my fingers were pressed against her hot mound, hidden underneath her panties. She leaned over and began to kiss and lick the tip of my dick. I felt a big spurt of precum leak out of me, and she tongued it all around my bell end. Her lips felt snug against my cock, and with each passing second, she went lower and lower until she finally had the majority of my

manhood deep in her throat. Meanwhile, I had pulled her lacy thong to the side, and I was two fingers deep in this young slut's cunt. I pulled my hand out and began to run it along her shaved slit, eventually finding her clit. I pressed and swirled and she began to moan, which opened up her mouth for even more of my cock. We stayed like that, her sucking me off and me finger-fucking her, for almost ten minutes. When I felt her pussy begin to saturate my truck seat, I knew she was ready to get fucked. I pulled her head off of my dick and helped her take off her jacket, blouse, and bra. Her B-cup tits were perky, and one of her nipples was pierced. I took the unpierced nip into my mouth and began sucking and tonguing it. Her nipple was almost as hard as my dick. She climbed over to me, and before I could even suggest getting a condom out of my glove box, she sat on my lap and slid onto my cock. Her wet pussy accepted me with ease, but that's not to say that she was loose. In fact, her vise-like cunt squeezed me so hard it practically hurt! She

started grinding on me slowly but quickly picked up the pace after a second or two. I raised and lowered my hips to match her motion, and her slit was pouring juice onto my lap. We kissed for the first time. I felt her lips tremble as her vagina pulsed and squeezed. Her moans became screams as she rushed to her orgasm. I kept the same pace but started thrusting harder and deeper until her whole body shuddered and went limp. She hugged me as she caught her breath.

I took a moment with her resting on top of me in a post-orgasmic haze before I transitioned her to her back. I got between her thighs and

wrapped her legs around me. As I pushed deep into her, she gasped. That was the first time I put my entire length inside of her. I took it slow and made love to her. Her juices made excellent lube, and I was going balls-deep with every thrust. We French kissed, and she smiled, looking deep into my eyes with a ravenous look. "Fuck me from behind," she howled. She flipped around and presented her pristine pussy and asshole to me. She wagged her hips side to side, inviting me to enter her. I knelt behind her bubble butt and slowly rubbed my cock against her clit. She moaned as I sent electric pleasure waves through her body. I could see her girl cream around her now well-used fuck hole. I already gave her a mini gaper, but I wanted to give her more of one. I thrust three

fingers into her wet pussy, curving my fingers downward towards her G-spot. She purred and her buttohole clenched. I knew I could get another orgasm out of her. As I massaged the softness of her G-spot with my three fingers, I lowered my head and began to tongue her supple asshole. She whimpered and I felt her cunt begin to close around my fingers. With a final howl, she began to cum and her pussy juices began to spill into my hand and run down my wrist. As my fingers kept curling on her spot, she practically vibrated as she gushed.

I didn't wait for her to catch her breath this time. I thrust my cock inside of her now stretched-out pussy. She was still plenty tight, and now her hot girl cum was coating my cock. I jackhammered her until she was cry-screaming. Watching her beautiful, young body pistoning on my cock sent shivers down my spine. I pulled myself out of her and got back behind the wheel. "Suck me off now," I demanded. She didn't hesitate and hungrily began to devour my pussy-slick dick. She grabbed and tugged at my wet balls, massaging them until they tightened with my impending orgasm. As I blew, she wrapped her lips around my tip and began to gag a bit, but she got all of my jizz in her mouth. She sat up and parted her lips to reveal my seed. She stayed like that for a moment, rubbing her tits and showing off her mouthful of cum. Finally, she swallowed it all and let out a long, satisfied sigh. We were both glad I picked her up that night.

I drove her to her parents' place and kissed her goodnight. We agreed that our night together was perfect, so we didn't exchange any contact information. But later that week I was cleaning out my truck and found her panties wedged behind my bench seat. I lifted them to my face and took a deep whiff. They still smelled like her sweet pussy, and I was instantly transported back to that night. Visions of her bobbing on my cock and swirling my cum around in her mouth made me instantly hard. I jerked off right there in my garage. I like to think that she left those panties for me as a thank-you gift for being such a good Samaritan. I was just being neighborly, after all. NC

After quite a bit of back-and-forth, Becky made a big decision. She's brand-new and nervous, so she only wanted to shoot masturbation photos, but we had our stud J-Mac in, and she was curious about trying out a porn cock. The problem? Becky has a boyfriend. "I think he'll be fine with it," she mused.

"The only time I've been with anybody else since my boyfriend and I started dating was when I let a girl eat me out. He asked me to do that! I sucked his cock while she went to work on me. It was alright. I like guys a lot more than girls, but I was willing to do it for my guy. I think fucking J-Mac is kind of like quid pro quo."

"I love my boyfriend, but his cock is much smaller than pornstars'. That's not necessarily bad. I have great sex almost every day at home. But getting stretched out and pounded super deep is something that every girl should experience at least once. It's incredible!"
